

MUHAMMAD MOEEZ

Technical Team Lead

+923334638367

muhammadmoez64@gmail.com

Parkview city, Lahore Pakistan,

SUMMARY

In my progressive technology career, I began as a Software Engineer and ascended to the role of Technical Lead Developer. With expertise spanning various technologies, I actively contribute, guide teams, and foster collaborative innovation. My diverse skill set, coupled with my educational background and certifications, underscores my commitment to excellence in the ever-evolving realm of technology. I eagerly anticipate continued professional growth and collaborative ventures in this dynamic field.
